## Announcements (COVID-19)

### Romania status of coronavirus (COVID-19) outbreak

As we prepare for the 5<sup>th</sup> *International Multidisciplinary Scientific Conference on the Dialogue between Sciences & Arts, Religion & Education*, May 21-22<sup>th</sup>, Romania, we want to assure you that the IFIASA association and the conference organizing team are closely monitoring the virus development.

***Based on these updates, IFIASA Association may consider the postpone of the conference- Session 2, May 22-, to a later date, in October or November 2020.***

We will keep you informed as we are monitoring closely every update related to the Coronavirus outbreak. Considering this particular situation, we are opening the registration with virtual participation for all the authors, no matter the origin of the institution of affiliation.

**We recommend for those interested in registering at the conference to opt only in for the poster or virtual presentation - Session 1, Virtual Conference, May 21-22 th.**

We will take all the necessary measures to provide access to all the virtual presentations for the entire conference audience.
