5th IFIASA International Multidisciplinary Scientific Conference on the Dialogue
between Sciences & Arts, Religion & Education
MCDSARE 2020

Harmony of Science. The Fundamental Constants and Empirical Specificity - IFIASA 2020

<http://ifiasa.org/en/EVENTS>

We would like to extend our warmest invitation to you to take part in the international conferences organised by IFIASA in 2020. The platform IFIASA has managed to unite the scientific researchers and professors in a discussion forum that we raised with the help of our partners to a very high standard, certificate by the multiple indexations in the most popular databases and numerous requests for topics.

The Global Health is in a crisis period these days, and unfortunately we have no specific data on how long it is going to last. With much regret, we are announcing that due to the COVID-19 pandemic, the in-person meeting of the 5th MCDSARE International Scientific Conference, Session 1st- on May/2020, was cancelled, and moved to virtual and poster/video presentations, on Session 2nd, Târgoviște, Romania, 18th June 2020.

Session 3rd, Virtual Conference, Romania, 27th October, 2020,
Conference Session 4th, Plenary Oral and Poster sessions, Târgoviste, Romania,
29th October 2020.

The Proceedings Volume of the 5th IFIASA *International Multidisciplinary Scientific Conference on the Dialogue between Sciences & Arts, Religion & Education* **MCDSARE 2020** will contain scientific articles in the social sciences and humanities fields, without a precise disciplinary border. The main topics covered by the IFIASA researchers are: Philosophy, Sociology, Communication, Social Work, Theology, Anthropology, Applied Philosophy, Ethics, Applied Ethics, Bioethics, History, Religious Studies, Arts & Architecture, Psychology, Educational Sciences, Politics, European Studies, International Relations, Public & Private Law, Management, Economy.
