

International Multidisciplinary Scientific Conference on the Dialogue between Sciences & Arts, Religion & Education MCDSARE

AIMS & SCOPE

Since 2015, *International Multidisciplinary Scientific Conference on the Dialogue between Sciences & Arts, Religion & Education* by Ideas Forum International Academic and Scientific Association (IFIASA) has become one of the most important conference on social sciences and arts in Romania. IFIASA organizes conferences, workshops, and publishes high quality academic international journals.

The aim of *International Multidisciplinary Scientific Conference on the Dialogue between Sciences & Arts, Religion & Education - MCDSARE* is to create a debate conference concerning the great challenges which the contemporary society addresses to social sciences, theological, philosophical and education. The main topics covered by the researchers are: Philosophy, Sociology, Communication, Social Work, Theology, Anthropology, Applied Philosophy, Ethics, Applied Ethics, Bioethics, History, Religious Studies, Arts & Architecture, Psychology, Educational Sciences, Politics, European Studies, International Relations, Public & Private Law, Management, Marketing, Economy.

The *MCDSARE* by IFIASA conferences is equally opened to researchers and professors, educational policies makers, strategists, scientists, university postgraduate and undergraduate engineering and students.

International Multidisciplinary Scientific Conference on the Dialogue between Sciences & Arts, Religion & Education (MCDSARE) is an open access, peer-reviewed and refereed journal published by IFIASA. The main objective of *MCDSARE* is to provide an intellectual platform for the international scholars. ***MCDSARE*** aims to promote interdisciplinary studies in social and behavioural sciences and become the leading journal in social and behavioural sciences in the world. *MCDSARE* publishes original papers, review papers, conceptual framework, analytical and simulation models, case studies, empirical research, technical notes, and book reviews. Special Issues devoted to important topics in social and behavioural sciences will occasionally be published.

Authors are expected to submit a full-length manuscript (5 pages minimum - 9 pages maximum) for publication.

Conference Chair/Editors may require manuscript revision before approving publication and reserve the right to reject for publication any paper that does not meet acceptable standards for a scientific publication.

Authors must be authorized to transfer copyright of the manuscript to MCDSARE by IFIASA. The author shall transfer all rights to the document editor who is committed to the publication and commercialization of the document (also in printed, electronical or E-book form), without limits of time and space.

Only papers presented at the conference and received according to publication guidelines and timelines will be published in the MCDSARE. Only the Full Text Papers that follow the rules and are written in A+ English will be considered for publication.
