

IFIASA

Ideas Forum International Academic and Scientific Association

Welcome Greetings: 6th International Conference MCDSARE

CHAIR MESSAGE by Representative of
IFIASA, Romania.

**Dear Colleagues,
Ladies and gentlemen,**

It is a great honor and pleasure to announce the inauguration of the 6th International Conference by IFIASA in response to the Covid-19 pandemic. International Multidisciplinary Scientific Conference on the Dialogue between Sciences & Arts, Religion & Education 2021 provides a unique opportunity to academics and practitioners alike to interact and share knowledge on timely research.

Since 2015, International Multidisciplinary Scientific Conference on the Dialogue between Sciences & Arts, Religion & Education by Ideas Forum has become one of the most important conference on social sciences and arts in Romania and more that, in the international academic global level. MCDSARE enjoys a broad international visibility. The Proceedings Volume of our conferences is indexed in prestigious scientific data bases.

The academic content of the 6th International Multidisciplinary Scientific Conference on the Dialogue between Sciences & Arts, Religion & Education, have a principal subject- THE LIMITS OF SCIENCE AND HUMAN KNOWLEDGE. The international Conference will be at IFIASA, TÂRGOVIȘTE, ROMANIA and in online format, Session 1-2 | from 17-18 June 2021. The virtual meeting will provide an opportunity for you to join colleagues and leaders from across the field for two days of inspiration and community focused on your research and your career as each of us looks ahead to the future.

We are excited to have you join us in June, connect with our attendees, and spend time networking during our conference. Our attendees represent a range of professional levels, and are seen as influential partners. All authors will be offered the opportunity to publish their full text conference papers in International Multidisciplinary Scientific Conferences on the Dialogue between Sciences & Arts, Religion & Education (Proceedings 2021) or in IFIASA Journals.

IFIASA conferences offers a unique opportunity for online interaction with researcher sand practitioners from around the world and it can therefore offer a venue to network and establish fruitful research collaborations. We will be using meet.google.com as our virtual engagement platform, which offers many exciting technical capabilities through which sponsors and exhibitors can engage with attendees, both inside and outside of the virtual exhibit space.

We look forward to having you with us at our Conference!

Thank you!
Prof. PhD. Marian BUGIULESCU,
President of IFIASA, Romania.
